ABOUT US

INNOVATION AND TRADITION

COMPANY HISTORY

PRODUCTION
IN GERMANY

ME

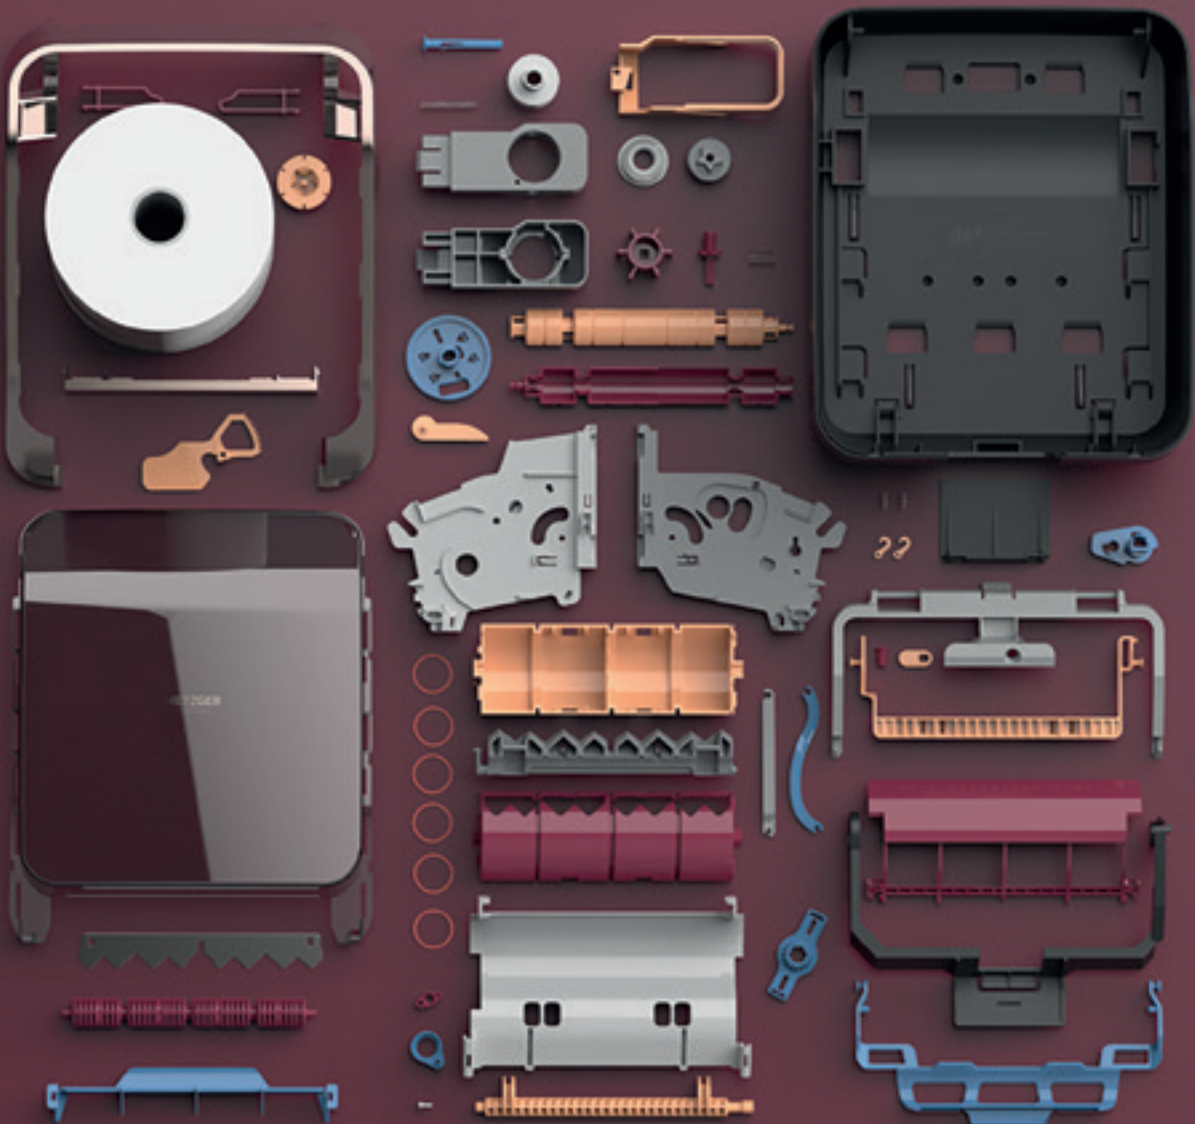

JM-Metzger Group, a second-generation family-owned company, is dedicated to washroom hygiene with passion and innovation. For over 40 years, we have proudly provided distributors with comprehensive service, distinguished not only by quality but also by advanced hygiene innovations.

Our focus is on the needs and feedback of our customers. Their input has been the key to continuously refining our product range and achieving the perfection of our dispensers. This customer-centric approach is reflected in our relentless pursuit of quality and the ongoing development of our products.

At JM Metzger, people are at the center – in our relationships with customers, colleagues, and partners, as well as in our commitment to creating hygiene solutions that make life easier and safer. Discover the world of JM Metzger, where innovation meets tradition, and every customer is part of our ever-growing family.

COSMOS 2.0 SERIES

SYSTEM-HANDTOWEL DISPENSER COSMOS 2.0

SENSOR

Handtowel Dispenser Sensor, white with roll end function and Eco Mode

Measurements in mm (W x H x D): 330 x 430 x 210
51 pieces / pallet

The hand towel roll dispenser – sensor – allows hygienic, touch-free single-sheet dispensing while ensuring efficient paper use. Its compact, modern design blends seamlessly into any environment.

ABS – lockable – removable wall mount – sensor or automatic mode – roll end function – length regulator – battery, rechargeable battery* or mains operation

Art.-Nr.

C2-4050

*available september 2026

PAPER & ACCESSORIES

Paper and accessories for Handtowel Dispenser Sensor COSMOS 2.0

Arm lever dispensers

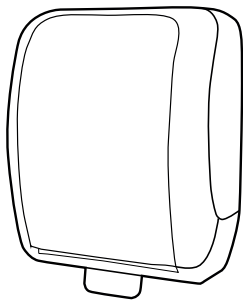

Dispensers

Waste bins/
Toilet brushes

Paper

Cosmetics/
Application

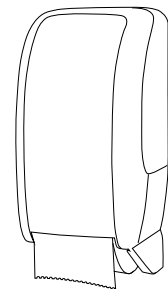

All five dispensers optimally combine a shapely design, yield and space-saving volume. In detail you will find space on the following measurement:

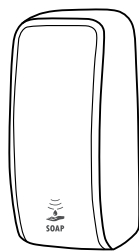

Towel Dispenser Autocut
320 mm x 430 mm x 210 mm

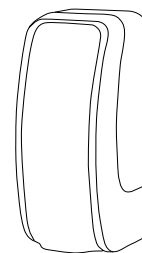

Towel Dispenser Sensor
320 mm x 430 mm x 210 mm

Toilet Paper Dispenser
155 mm x 325 mm x 175 mm

**Soap & Disinfectant Dispenser Sensor,
Sensor Dispenser for Toilet Seat Cleaning**
105 mm x 250 mm x 120 mm

**Soap Dispenser, Dispenser
for Toilet Seat Cleaning**
105 mm x 240 mm x 120 mm

The innovative washroom range, consisting of hand towel, toilet paper, and soap dispensers, offers a wide range of added benefits:

- from a single supplier
- lockable and secure
- modern, elegant, and at the same time robust design
- user-friendly and well-thought-out handling - placement, cleaning, and installation are quick and easy thanks to the removable wall bracket
- spare parts such as front covers or the cutting mechanism can be easily replaced thanks to the innovative click system
- customizable at any time to meet customer requirements, whether printing, packaging, or color design
- preselected system dispensers for exclusive refill usage
- suitable for any environment - whether schools, washrooms, restaurants, or hotels

Hand towel dispenser autocut

- with push lever for the case of a blockade
- lock at the bottom of the dispenser grants the best accessibility
- lid opens from the bottom to the top and stays ajar, equally the unilateral roll admission guarantees easy refilling
- suitable for hand towel rolls up to 230 m length
- Measurement in mm: 320 x 430 x 210

Hand towel dispenser sensor

- with length regulator
- settings: sensor mode or auto mode
- batteries or current mode
- lock at the bottom of the dispenser grants the best accessibility
- lid opens from the bottom to the top and stays ajar, equally the unilateral roll admission guarantees easy refilling
- suitable for hand towel rolls up to 230 m length
- Measurement in mm: 320 x 430 x 210

Toilet paper dispenser, double roll

- economical consumption thanks to the brake function and single sheets
- core stays in the dispenser and can only be retrieved after opening
- supplementary rolls are succeeding automatically
- rolls in use are always visible until completely used up
- suitable for toilet paper rolls up to 2 x 140 m
- automatical push function: Roll is always being pressed against the front of the dispenser and therefore always accessible
- Measurement in mm: 155 x 325 x 175

Soap dispenser, dispenser for toilet seat cleaner

- great capacity with a compact footprint at 2500 dosages out of a 1000 ml foam soap cartridge
- high yield - up to 4 times less consumption than conventional liquid soap
- hygienical due to new pre-installed pump with each cartridge exchange
- with a push button for opening
- optionally as well available in a lockable version
- Measurement in mm: 105 x 240 x 120

Soap & disinfectant dispenser sensor, sensor dispenser for toilet seat cleaning

- highest productivity, up to 6 x lower consumption than with conventional liquid soap
- up to 2,500 applications per 1-litre cartridge
- for 1,000 ml cartridges with pump
- easy, second-quick and clean cartridge replacement
- hygienic thanks to contactless usage
- 3 adjustable dosing quantities
- battery powered
- Measurement in mm: 105 x 250 x 120

LAVELA-SERIES

The beautifully-shaped, easily exchangeable LAVELA one way dispenser offers an unprecedented variety in the sector of hand hygiene.

- optionally available with spray, lotion, or foam pump, therefore suitable for a wide range of different products
- compact design despite 1-liter capacity
- quick and easy replacement: no complicated refilling required
- lockable and secure viewing window for constant visibility of the current fill level
- yield per 1,000 ml cartridge:
 - 500 doses for lotion products
 - 2,000 doses for spray products

- 2,500 doses for foam products
- suitable for any environment, whether public buildings, washrooms, industrial facilities, workshops, or hotels and restaurants

Whether soap, foam, or lotion: the LAVELA series cartridges are flexibly adaptable to your needs. No additional installation or key required. Simply select the pump type and insert it into the dispenser.

Content: 300 ml | 24 pc./PU

Art.-Nr.

MF-FG300	Flexi Guard
MF-DC300	Derma Care
MF-TB300	Titan Basis
MF-IS300	Foam Care
MF-FS300	Foam Soap
MF-CDM300	JM Skindisinfekt Liquid

Wall mount

Measurements in mm (W x H x D): 75 x 115 x 75

Art.-Nr.

MF-310-S	ABS, black
MF310-W	ABS, white

The innovative MINIFIX concept consisting of one wall bracket and six different product variants, with its perfectly formed design, offers special uses in industry, gastronomy and in private use.

The protected system offers a high-quality skin protection cream and a sustainable skin care cream.

The other components consist of skin cleansing a classic foam soap and a coarse hand cleanser for very heavy soiling.

A hygiene hand disinfection completes the product range, as well as a special intimate foam that transforms normal toilet paper into wet wipes, rounding off the product range excellently
