# TOWEL DISPENSERS

## SENSOR

ITEM NUMBER C2\_COSMOS-4XXX

-  **Touch free technology**  
Hygienic, contactless operation
-  **Single-sheet dispensing**  
Available in multiple towel sizes for versatile application
-  **Up to 40% paper reduction**  
Ensures high efficiency with significant paper savings
-  **Battery or mains operation**  
LED light signals for battery replacement

The Towel Dispenser SENSOR delivers hygienic, touch-free single-sheet dispensing with efficient paper usage & a compact design that fits seamlessly into any space.

# TOWEL PAPER REFILLS

## SENSOR | AUTOCUT

Our towel roll range offers various options to meet every requirement – from different plies & lengths to specific performance features. Designed for high to ultra-high yield, these rolls ensure maximum efficiency in professional hygiene environments. The focus lies on cost-effective use, helping to significantly reduce storage space, resource consumption & internal operational capacity. A smart choice for sustainable & economical hygiene management.

### PREMIUM TAD C2-HTZ100K

2-ply, 100m PREMIUM TAD quality, 6 rolls pu

### SMART CLASSICO C2-HTZ109K

2-ply, 150m, 100% cellulose, 6 rolls pu

### SMART ECO C2-HTZ205K

1-ply, 230m PREMIUM TAD quality, 6 rolls pu

### ECO C2-HTZ109K-ECO

2-ply, 140m, 100% recycled paper, 6 rolls pu

## AUTOCUT

ITEM NUMBER C2\_COSMOS-3XXX

-  **Push button function**  
Prevents paper jams & blockages completely
-  **Remnant roll function**  
Zero waste, ensures complete roll usage
-  **Premium cutting mechanism**  
For a flawless, precise towel cut
-  **Non-electric design**  
No battery or ongoing operational costs

The Towel Dispenser AUTOCUT features a premium cutting mechanism, zero-waste remnant roll function & push-button operation – ensuring smooth, reliable use without electricity or maintenance.

## FINESSING SOLUTION

Thanks to the innovative Quick Change Holder & integrated guide rail in the Towel Dispensers SENSOR & AUTOCUT, inserting a new towel roll is remarkably fast and intuitive. The system ensures smooth threading & secure positioning within seconds—eliminating downtime & making roll changes effortless, even during busy operations. This time-saving solution enhances workflow efficiency and supports a seamless hygiene routine.

Its compact size allows it to integrate seamlessly into any environment, making it the ideal choice for space-conscious, professional hygiene settings.

-  **Quick Change Holder**  
Effortless, fast refill system

 **43 cm (H) x 33 cm (W) x 21 cm (D)**  
Kompakte Maße, geschaffen für jedes Interieur

# UNIVERSAL DISPENSER

The UNIVERSAL dispenser features a unified design and is available in multiple versions for disinfection, foam soap, seat cleaner & heavy-duty cleaner—offering a consistent look across all hygiene applications.

## SENSOR

ITEM NUMBER C2\_COSMOS-5XXX

- Touch free technology**  
Hygienic, contactless operation
- Ultra high efficiency**  
Up to 2,500 applications
- 3 adjustable dosages**  
For optimized savings
- Rechargeable battery powered**  
LED signals for recharge alerts
- Eco-mode & Speed-mode**  
Smart self-regulating system to save energy
- 25,5 cm (H) x 11,5 cm (W) x 10,5 cm (D)**  
Compact size, effortlessly integration in any space

Also available as MANUAL dispensers.  
ITEM NUMBER C2\_COSMOS-1XXX

# TOILET PAPER DISPENSER

The Toilet Paper Dispenser DUAL ROLL offers smart single-sheet dispensing with continuous paper availability & dual-roll capacity – maximizing efficiency in a compact format.

## DUAL ROLL

ITEM NUMBER C2\_COSMOS-2XXX

- Automatic push function**  
Roll always pushed to the front, ensuring constant accessibility.
- Smart single-sheet dispensing mechanism**  
Reduces waste, ensures hygiene & enhances cost-efficiency
- Up to 40% paper reduction**  
For optimized savings
- Utilizing 2 long life rolls concurrently**  
Extended use, LED alert for roll change
- Integrated braking mechanism**  
Ensures controlled dispensing
- 33 cm (H) x 15 cm (W) x 17,5 cm (D)**  
Compact size, effortlessly integration in any space

## WIDE RANGE OF REFILLS

A wide variety of refill options is available to suit every hygiene need. The universal vacuum-sealed special cartridge comes with a pre-installed, optimized pump that ensures efficient & precise dispensing. With an ultra-high yield of 1,000 to 2,500 applications depending on the filling & extended shelf life thanks to the sealed system, it offers maximum reliability & minimal maintenance.

**FOAM SOAP**  
C2-FS1000

1 L, up to 2.500 app., 6 cartridges pu  
Variants: Mild, antibacterial, fragrance-free

**DISINFECTION**
